

# Florida Crown District Emergency Net Preamble

Attention All Stations, this is KI4UWC calling the Crown District Emergency Net.

This is (your call sign) and I will be your Net Control Operator for this Florida Crown District EC & AEC Net. My name is (your name), and I am located in (your county) County.

The purpose of this net is to promote the exchange of information to and from all Crown District Amateur Radio Emergency Service officials.

This net meets the first Wednesday of every month @ 2030 hrs local on the 146.925 repeater with a PL tone of 156.7hz.

This repeater hosts Echo-link node 465626. I will call for Echo-link stations periodically during this net.

This is a restricted net, limited to ARRL appointed officials within the five county district. Emergency Coordinators and Assistant EC's are encouraged to check in when your county is called. Counties will be called in alphabetical order.

This is KI4UWC. As I take check-ins please give your call sign **clearly** and **phonetically**, and advise net control if you have any announcements or comments. It will **not** be necessary to advise net control that you have 'no comments'. All comments will be handled after all check ins are complete.
