Mike Hendershot asked for volunteers for the upcoming Tour de Fort bike ride on April 27, 2014. At least 8 volunteers will be needed.

OPERATIONS

We are looking at perhaps doing a training event in either May or June of this year. If you have an idea, please let the board members know.

Mike Hendershot and Scott Roberts are working with the Marine Patrol and Clay County Sheriff's Office to set up APRS. This should open doors with Search and Rescue and other departments.

Field Day will be on June 27-28, 2014 at the Orange Park High School, Orange Park, FL. We need more publicity as to ARES can do. This is a joint operation with the OPARC club.

PROGRAM

Joe Bassett continued the packet training, and emphasized that the net control training will "piggyback" on the training begun in 2013.
