

ClayARES Emergency Net Operations Preamble

**Italics* indicates "Not to be Read"*

****If at any point you cannot continue as
the Net Control Operator, pass control to:
K4AWG, W1WCN, KK4ECR or
any other ClayARES AEC
by using the script at the end of this Preamble.****

Calling ALL stations, calling the ALL stations.
This is Kilo India 4 Uniform Whiskey Charley, Net Control for Clay
County ARES. My personal call is _____.

This repeater is now under ClayARES Emergency Operations
Protocol. The Net Condition is (**announce one of the following**)...

- Level 1 - Full Scale Activation of State Emergency Response Team
- Level 2 - Partial Activation of State Emergency Response Team
- Level 3 - Monitoring Activation Only

*Not to be read:
*ARES will be notified by
County or State EOC
regarding level.**

All non-emergency amateur radio stations are requested to clear the
frequency to ensure that this repeater remains open for Emergency,
Priority and ClayARES related traffic only. Please refrain from non-
event related communication for the duration of this event.

This is KI4UWC, are there any stations with emergency or priority
traffic?

*Not to be read:
*Call for Emergency or Priority traffic
at least every ten (10) minutes during the event.**

This is a directed net, this is a directed net. Directed net procedures
will be followed.

ClayARES Emergency Net Operations Preamble

We will now accept checkins. Call Net Control at the appropriate time using standard ITU phonetics to announce **your call sign only, once only; I say again, your call sign only, once only**. Do not announce routine traffic or comments until it is requested by Net Control.

Stations with Emergency or Priority **only** may break the net at anytime using the Break Tags “Emergency” or “Priority.” All other stations must wait for Net Control to announce a Net Call.

Please speak slowly when checking in.

This is Kilo India 4 Uniform Whiskey Charley...

Is the ClayARES Emergency Coordinator on frequency?

Are there any ClayARES Assistant Emergency Coordinators on frequency? *(*Make at least two calls; repeat until no further stations reply.)*

Are there any liaison stations from served agencies on frequency? *(*Make at least two calls; repeat until no further stations reply.)*

This is Kilo India 4 Uniform Whiskey Charley, stations are reminded to check in using ITU phonetics and announce their **call sign only, once only**.

Mobile or portable stations come now.
*(*Make at least two calls; repeat until no further stations reply.)*

ClayARES stations suffix Alpha through Golf come now.
*(*Make at least two calls; repeat until no further stations reply.)*

ClayARES stations Hotel through Papa come now.
*(*Make at least two calls; repeat until no further stations reply.)*

ClayARES stations Quebec through Zulu come now.
*(*Make at least two calls; repeat until no further stations reply.)*

ClayARES via Echolink come now.
*(*Make at least two calls; repeat until no further stations reply.)*

Any non-ClayARES stations come now.
*(*Make at least two calls; repeat until no further stations reply.)*

ClayARES Emergency Net Operations Preamble

Stations may now check in via simplex. All stations stand ready to assist with relays. Do not announce relays until requested to do so by Net Control.

ClayARES Simplex stations come now.

*(*Make at least two calls; repeat until no further stations reply.)*

Are there any relays for simplex stations? Come now with your call sign only now.

*(*Make at least two calls; repeat until no further stations reply.)*

Any stations not previously acknowledged by Net Control come now.

*(*Make at least two calls; repeat until no further stations reply.)*

This is KI4UWC Net Control, my personal call is _____.

Any stations with Routine traffic or comments for the net come with your call sign only, I say again, **your call sign only** now.

*(*Make at least two calls; repeat until no further stations reply.)*

**Direct traffic and comments as appropriate.*

*Remind stations to keep comments
brief, concise and relevant to the event.**

Make additional general Net Calls every five (5) minutes or as necessary to accommodate all check-ins or traffic.

Periodically (at least every ten (10) minutes) announce the following...

Attention all stations, this is an actual event. This is a Directed Net in support of ongoing emergency communications. We appreciate all stations adhering to Directed Net procedures and maintaining a clear frequency. This is KI4UWC, Net Control. My personal call is _____.

ClayARES Emergency Net Operations Preamble

**At the conclusion of the event requiring
return the frequency to normal use as follows:**

This is KI4UWC, securing from Emergency Operations Protocol Net Condition at _____ (time), and returning the frequency to normal amateur use.

We thank all amateurs for your cooperation during this event. This is _____ (**Your call sign**), OUT.

****Script for passing Net Control responsibilities.****

Insert the appropriate call signs for the *italics*:

"Whiskey 1 Whiskey Charley November this is Kilo Kilo 4 Echo Charley Romeo, OVER."

"This is W1WCN, OVER."

"Are you prepared to assume Net Control, OVER?"

"Affirmative, OVER."

"Do you need the roster, OVER?"

**If not, continue.*

*If yes, read the roster to the new Net Control, then continue.**

"W1WCN this is KK4ECR, assume Net Control, OVER"

"This is W1WCN, WILCO, OUT."
